We just talked to Darryl in OP. Sounds like we need to build into the U&O FIP schedule some extra OMB review time (1 to 2 months), but we don't need to prepare an official RIA. Any help OAR can offer to speed the OMB review would be appreciated.

Thanks

Hi all,

Yesterday, OMB determined that the Uintah FIP rule is significant and they will review it. I've updated Tracker but the dates for OMB Review are a bit out of date. I can help as needed.
